5-STEP EMERGENCY SEQUENCE

1. **Call 911** — or ask your hotel/resort for an English-speaking private ambulance.
2. **Call your carrier's 24⁄7 hotline** — they authorize a direct-pay private hospital and issue a payment guarantee.
3. **Go to a PRIVATE hospital** (Star Médica, Ángeles, Hospiten, San Javier, AMC, Galenia, ABC…) — NOT public IMSS.
4. **Show your insurance ID card** — carrier pays the hospital directly on direct-pay plans; you pay your deductible.
5. **Keep everything** — receipts, discharge summary, test results — for any claim filing.
